

Services Offered

prices are as listed

Platinum HydraFacial: The ultimate HydraFacial experience that starts with a detoxification process, known as lymphatic drainage to remove toxic buildup and reveal healthy glowing skin. The service also includes the patented HydraFacial Diamond Tip technology, a corrective serum that can address specific skin concerns. It concludes with LED light therapy to help banish the signs of aging. The perfect service for any big event. 60 min \$335

Deluxe HydraFacial: A groundbreaking facial treatment technology that delivers exfoliation, deep cleansing, thorough pore extraction, and complete hydration in a 3-step process. The patented system uses a vortex swirling action and suction to hydrate and remove dead skin, dirt, debris and other impurities, while thoroughly cleaning and hydrating your skin. A customized approach to the Signature HydraFacial with the addition of a corrective serum to address skincare needs and LED light therapy. 45 min \$255

Signature HydraFacial: The original 3-step process that exfoliates, cleanses, extracts and hydrates the skin, giving you that undeniable glow. 30 min \$205

HydraFacial Keravive Scalp Treatment: The first of its kind scalp facial uses patented suction technology to boost scalp health and natural hair growth. By purifying your scalp, you will stimulate and open your hair follicle by using light suction and exfoliation. We then nourish your scalp by infusing cleansed follicles and surrounding skin with peptides and hydration. Boost your natural hair growth with a daily take home spray. Recommended in packages of three. Includes a scalp massage. 45 min Each treatment \$300 or package of 3 for \$775

Dermaplane & HydraFacial: Gently exfoliate the uppermost layer of the skin, removing vellus hair through dermaplaning and give your skin the glow it has been craving, with the patented HydraFacial technology, infusing your skin with antioxidants and peptides, protecting your skin from the everyday harsh elements. Includes: double cleanse, dermaplane, Signature HydraFacial, SPF. 60 min \$285

Can upgrade to a Deluxe HydraFacial (this combination is our most requested service) 75 min \$350

Dermaplane: Gently exfoliate the uppermost layer of the skin, removing vellus hair. This service will allow your daily serums to absorb more efficiently and your makeup to go on smoothly. Includes: double cleanse, dermaplane, high frequency, mask, serum, SPF. Our most requested monthly service. 45 min \$150

Custom Facial: Give your skin a natural glow with a customized facial. Addressing each individual skincare needs, the perfect monthly facial to keep your skincare where it needs to be. Includes: double cleanse, option of vitamin c mask, enzyme mask, light peel, or hydrating mask, addressing the décolleté and up, serum, SPF. 60 min \$175

Acne Facial: Address stubborn acne with an enzyme treatment to naturally dissolve dead skin cells with fruit enzymes, revealing fresh, healthy skin. Includes: cleanse, exfoliation cleanse, enzyme mask, extractions, high frequency, light TCA peel, SPF. 60 min \$175

Microdermabrasion: Renew your overall skin tone and texture by exfoliating the skin with diamond crystal technology, followed by a light TCA peel. Perfect for monthly acne clients. Includes: double cleanse, medical grade diamond tip exfoliation, extractions, mask, TCA peel, SPF. 40 min \$135

Chemical Peel: Improve the appearance of your skin by fading hyperpigmentation, fine lines, wrinkles and sun damage. Peels offered – Glycolic peel 30%, Jessner Peel. Recommended in packages of three. Includes: double cleanse, tone, prep and peel, mask, serum, moisturize, SPF. 60 min \$175 per treatment

Chirally Correct Peel+ by Circcell: An advanced facial peel with promising results. Transform your skin with this professional grade treatment that exfoliates, repairs and brightens to reveal a youthful glow, with no downtime. A Lactic Acid based peel, it uses high grade technology to reduce the visible signs of wrinkles, fades dark spots, and even out hyperpigmentation while reducing irritation, improving moisture absorption, calming inflammation, and fortifying skin immunity. Results can be seen after one peel. Includes: Double cleanse, tone, prep and peel, mask, serum, moisturize, SPF. 60 min \$175

Custom Eyebrow Shaping: Open up your face, brighten your eyes, and highlight your bone structure with waxing and tweezing along your brows natural lines to ensure the perfect contour. 30 min \$35
Can include tint for an additional \$15, must include brow waxing

Eyelash or Eyebrow Tint: Give your natural lashes or brows the tint you desire. Perfect for the no mascara look, or darkening of light brows. 15 min \$25 per service

Eyelash Lift and Tint: Give your natural lashes a curl and tint. Curl lasts 6-8 weeks, tint lasts up to 4-6 weeks with proper care. 60 min \$150

Eyebrow Lamination: Give your eyebrows a fuller more even look. Lamination lasts up to 6-8 weeks with proper care. 45 min \$135

Add-On Services:

Extractions: Includes cleanse, extract, light TCA peel, serum and SPF. 30 min \$55

HydraFacial Perk Eye: The first hybrid skincare treatment and take-home product in one. This process removes impurities while simultaneously delivering vital antioxidants to your undereye area. As a result, it leaves you with a younger and brighter look. \$50

HydraFacial Perk Lip: A revolutionary system that works to plump and hydrate the lips. This revitalizing serum contains peppermint oil, aloe leaf extract, and peony extract to provide unprecedented hydration and moisturize your lips. Comes with a take home product. \$40

Insight Collagen Eye Treatment: The luxury of refreshed eyes, in a flash. These smart sheets are made using the highest stable grade and live, freeze dried collagen on the market. In just 15 minutes, signs of fatigue, damage and stress are diminished with lasting results following regular use. \$15

Collagen Build 97 Mask: This full-face smart sheet delivers pure collagen, restores, soothes and hydrates, and plumps fine lines and wrinkles, as well as reducing redness – the perfect add on to any treatment. Similar to the Collagen Eye Treatment, this full-face mask is a luxurious add on that will keep you coming back for more. \$50

Featuring the Clean Beauty Line, Circcell. Available for purchase in Studio
